Dear Mr. Phillips,

The ballot count in the mail ballot vacancy election for MTA Bus Executive Board Member was held on August 22, 2019 at the offices of TWU Local 100 at 195 Montague Street, Brooklyn, New York, NY. Various protests were filed in the course of the campaign period. Pursuant to my authority as Neutral Monitor, appointed by TWU Local 100 under the Election Rules approved by the Executive Board, I have issued decisions regarding some of these protests. The remaining protests have been withdrawn. The deadline to file post-election protests was August 24, 2019 and no such protests were received.

I certify that the election was fairly conducted in accordance with the Election Rules of Local 100, all eligible voters were given an opportunity to vote, the tally was fairly and accurately conducted, and the results are as follows:

Mike Capocci	482
Johnny Tapia	250
Robert English	35

Thank you for the opportunity to be of assistance to Local 100.

Respectfully submitted,

Barbara C. Deinhardt
Neutral Monitor
